

Web and E-mail Hosting

Why Web and E-mail hosting?

Making your company's website and e-mail addresses available on the Internet requires them to be hosted on specialized servers. Pathway makes Web and E-mail hosting easy for you. For as little as \$19.95 a month, your business can have an online presence. Best of all, our hosting plans grow with your needs.

Plan	Web Space Included	Email Accounts	Traffic Included	Server Platform	Monthly Fee	Annual Fee
Hosting Value	40 MB	10	2 GB	Unix	\$19.95	\$219.95
Hosting Plus	100 MB	20	4 GB	Unix/Win NT	\$29.95	\$329.95
Hosting Power	200 MB	40	8 GB	Unix/Win NT	\$59.95	\$659.95

Setup fee: \$35

A host of useful features

Pathway is the home of Toronto's best web hosting solutions. Using our services will enable your employees, clients and colleagues to e-mail you @yourcompany.com and surf your company's website at www.yourcompany.com. We provide redundant power, storage and Internet connections, lightning fast Sun and enterprise class NT servers giving you faster web page delivery, personalized POP3 E-mail accounts, unlimited e-mail aliases, and web based access to your e-mail from anywhere in the world.

Programmers will find our special features useful – UNIX and NT server platforms, FTP access to your site, FrontPage extensions, ODBC and ASP support, CGI access, web page Traffic Statistics, Java support, SSL encryption and secure form hosting. Support for various databases, such as MS SQL Server, MS Access, Postgre SQL are also available at very attractive rates. Technical support is always just a phone call away.

What do you need?

- Your own domain name (i.e.: yourcompany.com). Don't have one yet? Talk with our sales representatives about registration options
- Your website. Once you're service is up and running, you'll just need to upload your website to your new Pathway web space.
- A way to deal with all the extra business you will attract from the Net!

Why choose Pathway?

By choosing Pathway for hosting your website, you join a long list of satisfied customers. From dialup access, network integration and web hosting to dedicated high-speed services, we provide thousands of satisfied business customers with the tools they need to succeed in today's competitive environment. Call Pathway today to speak with one of our knowledgeable sales representatives.
