

SCOTTISH *Sailing Cruise*

The Scottish Studies Foundation cordially invites you and your family and friends to join us on our Annual Tall Ship Cruise on Sunday, September 4th aboard Canada's largest sailing ship, *The Empire Sandy*.

Singers, dancers and the sound of the pipes will accompany and entertain you with songs and music from Scotland and Canada. As you might expect, there will be lots of tartan in evidence!

We will cruise out on Lake Ontario where the views of the Toronto skyline are spectacular and the hustle and bustle of ships of all shapes and sizes is a delight to the eye. If ever there was a photo opportunity, this is it. Be sure to bring your camera as it will be a day to remember!

As an added bonus the CNE's spectacular Air Show is also on that day!

*Recreate the voyage of the Hector (1773)
and some of the first Scots in Canada*

We have arranged two cruises

One boarding at 11:00 a.m. for departure at 11:30 a.m., the other boarding at 2:00 p.m. for departure at 2:30 p.m. (this sells out quickly). Each cruise is over 2 hours long.

The *Empire Sandy* will be docked on the south side of Queen's Quay West, directly opposite Lower Spadina, beside the Toronto Music Garden. Parking is available, both underground and in street-level lots.

Come early for the 2 p.m. cruise for the best choice of parking. There is a map on the reverse of the ticket. It's another reason to book your cruise in advance.
